CHAPTER _____ **GRADUATION DATE** _____

Student members who pay for two (2) or more years of membership will receive one (1) year of professional membership free upon graduation. It is the chapter's responsibility to notify the National Office of the names and current addresses of student members eligible for professional membership under this provision. Notification must be received by April 30th for Spring/Summer graduates and November 30th for Fall/Winter graduates. The National Office shall annually provide each chapter with a list of that chapter's active student and professional membership. Submit this form to the National Office, providing home addresses, telephone numbers and e-mail addresses for all graduating chapter members. *Signals On-Line* is available via the NBS web site but national mailings will be sent directly to the professional and alumni members. (Student members who have not been national members for two years, and would like to become Professional Members, should fill out the Professional Membership Application and mail in Professional Member dues. Rates for graduating members of NBS are: $40/one year or $70/two years.)
