

2022-2023 Activities and Events Updated Schedule

Change is Coming

After 2+ years of Covid wrecking our game plans and hurting the organization financially, the NEMA/NBS-AERho Board of Governors spent the summer looking at options, getting feedback from advisors, students, and professionals. For 2022-2023 we are joining in a partnership with the Broadcast Education Association (BEA). The 2023 convention will be held in conjunction with BEA and adjacent to the National Association of Broadcasters in Las Vegas, April 15-18, 2023.

Membership: One-year individual NBS-level membership is still available at the post-Covid rate of \$25. This year, to get chapters back on their feet, we are offering a one-year chapter membership for \$100. The chapter membership covers as many qualified individuals who are willing to join; all members will have register online. (The \$100 chapter membership must be paid online on the website. Chapters are welcome to charge local dues to aid their activities.) **All NBS-level members** (even if paid with a chapter purchase) **must register online.**

Alpha Epsilon Rho: AERho honor society members (returning members and new inductees) will be able to participate in several special events, both online and in-person. **The spring registration deadline has been extended to March 1.**

Student Competitions: Finalists in the student competition will be announced late March.

Chapter Activities:

- Chapter reports have been replaced with 1 chapter census survey due March 10.
- Advisors will, again, have membership dues waived **as long as they register online.**
- Chapters may participate in community service and be recognized for their activities.
- NBS-AERho awards will honor outstanding members for their contributions to the chapter.
