

2020-2023 Trophy Order for Professional Competition Winners

Trophy Order

It has been the tradition to hold the cost of entries for our professional competition by presenting winners with certificates rather than trophies. Following multiple requests to make trophies available to professional members, we are accepting orders for trophies.

The winners in the NEMA/NBS-AERho Professional Media Competition from 2020 through 2023 may order a trophy or trophies for their competition category win. The trophy will resemble the acrylic trophies given to student competition winners. (See above.) The order must be placed by May 31, 2023.

This order form is for a category winner. The category winner can order multiple copies of the specific trophy. If you won trophies in more than one category or more than one year, you will have to fill out an order form for each category/year. (This order site only accepts one e-mail address. If you place orders for multiple categories, you will have to use a unique e-mail address for each.)

The trophies will cost \$45 which includes the cost of shipping. Fill out and submit the order form and pay with a credit card or PayPal account.

Trophies will be sent to the mailing address you indicate on the order form. Trophies should be shipped in mid-June.

Use the link below to fill out and submit the order form and pay with a credit card or PayPal account.
